

Alternative Spring Break 2010 Confirmation & Schedule

Thanks for registering for ASB2010. Whether you are participating for one session, or the entire week, you will have the chance to make a difference in our community and hopefully have some fun and do something different. This is an outline of the activities for the week so take a look and pay close attention to anything extra you need to bring and the bus departure and return times.

Due to enrollment numbers some of the service projects have been eliminated in certain time sessions. All evening activities are still going to be held as advertised.

If you have any questions call or text Bob Lawrence at 651-253-3092.
