Participants will have the opportunity to sign up for specific service projects when registration is closed.

How It Works

Take a look at the schedule above and get an idea of what you would like to do before choosing one of two options:

Option A is to sign up for the entire week's events and participate each day at a reduced rate.

Option B allows for more flexibility because you can register and pay for individual activities.

*** Please note: You must participate in Feed My Starving Children to go to Nickelodeon Universe*

Session times are approximate and service projects are subject to change based on the number of participants. After registration closes you will be given the opportunity to choose projects based on your interests so please include an email address and cell number on registration in possible.

If you have questions, please check out the website www.morethanbreak.com or call 480-7670.
